🧩 TECHNICAL SKILLS

Programming Languages

Java , C , C++

Web Technologies

HTML , CSS

Databases

Mysql , MongoDB , Oracle , Neo4j

Data Analytics Tools

Power BI , Weka , Orange , Jupyter Notebook

🔑 INTERESTS

- Natural Language Processing
- Full Stack development
- Data Science and Analytics
- Cyber Security

🌐 LANGUAGES

Tamil

English

Hindi

🔑 SOFT SKILLS

- Leadership quality
- Communication skills
- Critical Thinking
- Problem solving

🎓 CAREER OBJECTIVE

A dedicated student focused on critical thinking and project efficiency. A strong team player eager to apply my analytical skills and grow in a professional environment.

🎒 EDUCATION AND QUALIFICATION

2023 - 2027

Mepco Schlenk Engineering College, Sivakasi
BTech Artificial Intelligence and Data Science
CGPA: 8.24

2022-2023

Mary Matha Matriculation Higher Secondary School
, Theni
Percentage:90%

📁 PROJECTS

- Developed a Python-based **Employee Management System** featuring core CRUD operations, successfully automating HR workflows
- AI-based **Memory Match Game** website developed in Python, showcasing sophisticated AI algorithms and web development skills.
